LAMBETH ACADEMY EXTENSION OFFERS 2011 - 2012

Lambeth Academy
The best in everyone™
A member of United Learning Trust

Dear Parents/Carers/Community

I am delighted to launch the Extension Offer 2011-2012, which is a very exciting extracurricular offer of activities both during school and after school and weekends for students, parents, staff and our local community. This is available for your immediate perusal on the school website and your child/ward will bring a hard copy home from school on Monday 3rd October 2011.

To support this process we would like you to discuss the activities with your child/ward with a view to agreeing on selecting the most appropriate activity(s). Your child's/ward's tutor will also be actively involved in this process.

Our extension offer involves the out-of-hours provision of a diverse range of activities for our community in both study support and enrichment, with the broad aim of increasing engagement in education. These can range from homework clubs, catch-up sessions and access to ICT facilities to opportunities for sport and the arts, to brain gym, thinking skills or learning an additional language.

Best Regards

Ms Sonia Beckles
Director of Community and Extended Learning

Principal: Stephen Potter MA (Oxon), M.Ed
