Message from the Executive Principal Mr Wilson

Dear Parents / Carers

When people ask me what we are about at Lambeth Academy, I tell them 'hard work'. We are a school for progress. We achieve our goals by doing the basics really well. For students that means making sure they are in school every single day. We expect them to come equipped and in full uniform and we do nag them about untucked shirts because we know that people judge us by how we present ourselves. When I recruit teachers, I look at how they present themselves because first impressions matter. We encourage our young people to always give 100% every single day because then they will have no regrets. I want every student in Year 7 all the way through to Year 13 to believe that they can go to the best universities

and get into the best professions. Whatever job they do in the future, I want them to be the best. There are no limits for our students if they put in the effort and do the work.

This week we welcomed new student principals and a new student leadership team. They went into every assembly to introduce themselves so students know who they are and can speak with them. I want to express my gratitude to Year 13 student principals Iris, Courtney, and student leaders Leah and Bianca. They have given so much and contributed to the experience of every student in this school. My best memory of these wonderful young people is when I took them to visit a primary school and they spoke from the heart about their impression of Lambeth Academy and what we're doing to help them achieve their goals. We wish them well as they prepare for their upcoming exams.

Reminder – Parents / Carers Please Download the Arbor App

Please make sure you have downloaded the Arbor App. **A welcome email telling you Arbor is ready was sent out. Click on the link in the message and set up your password. Go to the App or Google Play Store and download the free app.** If you are having trouble accessing the app, please contact the school. Text messaging via the app is free and you'll be able to check attendance, give permission for trips, book appointments. Gateway will still be used for payments until the end of this academic year.

More exciting information to come.

Getting to Know You

Name: Ms Marilena Yiannarou

Job: Teacher of Science

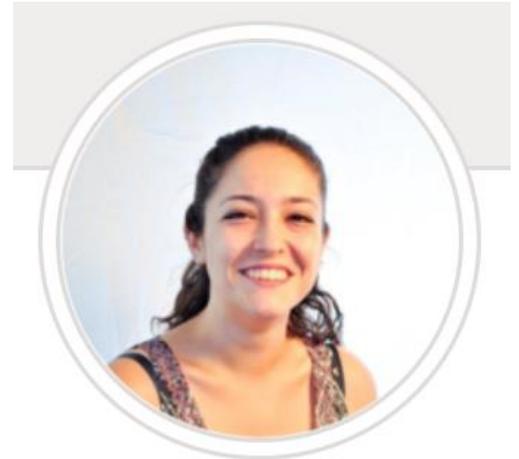

House: Jones

Currently reading: I am currently reading A Dance With Dragons by George R.R. Martin.

A favourite film: I love the film Interstellar. It is brilliant.

Interesting facts about me: I have been playing basketball from the age of 8 (and I never want to stop!). I now coach and play for a club in the London Metropolitan League.

What I like about working at LA: The thing I like the most is the diversity and huge personalities of our students. They never fail to impress me with their ambition and drive to succeed.
